Title: DESYNC: The Original Soundtrack - Volume 2 (Volkor X)

Genre: Action, Indie

Developer:

The Foregone Syndicate

Publisher:

Adult Swim Games

Release Date: 3 Mar, 2017

b4d347fde0

English

---

Very good Synthwave/Darkwave (with a brutal electronical lead, Volkor X outdone himself.  
3\u20ac for 5 tracks is a bit much, but it should be fine when you buy it in a sale or as a game bundle. No tracks are missing, only if you only buy this second volume of the official OST release. Well one issue is that the audio files are WAV files which means no Tags/Properties, included album artwork nor the steam music player can detect wav files in the local game files (I simply convertet it into mp3, you can convert it to flac if you dont want to lose any precise data while converting).
