Sunday, April 4, 2012 Romantic Moods Gorgeous weather this weekend has given me all the motivation I need to get some stamping done on the computer. I really love this week's Stampin Up set, Romantic Moods. The bow, single rose and vase are from our "Customizable Collection" which offers a lot of shapes and sizes and even you can add a bow yourself for your own creations. The paper is a more of an aqua/forest green/brown/salmon mix, as well as the card stock. I loved these colors together and the yellow bow just kind of gives it a pop, no pun intended. The sentiment is from Stampin Up's "Lovely as a Prize" set, which really works well for Valentine's cards. Thanks for stopping by today and I hope you enjoy your weekend. It is very nice out and I don't mind wearing a jacket when I am out and about. When I go shopping, it is not so much a thing of what will I get for myself, but more to it, will there be something that they have that I can justify getting for my mom. She loves makeup too,
