I'm so excited to share a new feature with you today – a retro look at a few of my favorite cartoons from the 1980s. What do you think? I love the way it turned out. And I'd love to know if there are other shows you'd love to see me cover in a similar retro style. Well, here it is: If you've never seen the original Star Trek cartoon, you can click on the image above to watch it. Here are the other shows I featured: Star Trek: The Animated Series Batman: The Animated Series Superman: The Animated Series Super Friends Batman Beyond You can follow along here on Twitter and let me know what you think. Yours,
